Posizione

Legal manages the legal risk of the Company providing legal advice, drafting contractual agreements and managing disputes, engaging external counsel when necessary. The legal team consists of 25 professionals located in Italy, Germany and Austria, mainly performing the following tasks:

- drafting, reviewing and negotiating domestic/international commercial contracts, mainly in the ICT area, taking into account applicable banking regulatory requirements and bringing business sense to deal with multiple functional teams;
- providing legal opinions, including analysis of the provisions of laws and regulations and of their implementation and/or repercussions on the business;
- managing litigations and pre-litigations (primarily arising from contractual breach);
- providing advice on special initiatives and support their design and implementation, also drafting all the necessary documentation (e.g. contracts, board resolutions, notice to authorities) - the initiatives may include IT transformation projects, corporate re-organization (in Italy and/or abroad) or complex commercial initiatives (eg set up of joint venture, outsourcing, partnership or termination thereof);

all the above, in coordination with the in-house counsels (in Italy and abroad) either belonging to the team or to other UniCredit Group entities, where requested or appropriate to pursue harmonized legal approach to common topics.

Internship will be focused on the acquisition of professional competences in the abovementioned areas (preferably, but not exclusively, on the tasks outlined under (i) and (ii) above). We will offer a stimulating and fast-paced environment and the opportunity to deal with a wide range of legal topics and cross-country projects.

Requisiti

English proficiency, MS Office, good communication skills, team worker, deadline awareness and attention to details.
