SOME OF OUR LOCATIONS

This program offers a unique opportunity for participants to experience the best of Canada while gaining professional experience at world-class resorts. Our placements are located in the country's premier mountainous regions, including the following cities.

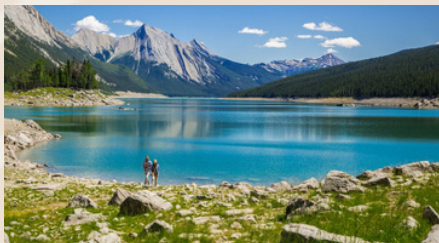

BANFF

Banff is a UNESCO World Heritage town situated on the first national park in Canada. This place is widely known for its mountains, forests, glacial lakes, hot springs and, most importantly amazing outdoor activities such as skiing and hiking attracting tourist from all over the globe.

WHISTLER

Whistler is a world-renowned mountain destination and a former co-host of the 2010 Winter Olympics. As home to the largest ski resorts in North America, it features a booming hospitality industry and is famous for skiing, snowboarding, mountain biking, and hiking.

JASPER

This historic town is also a UNESCO-recognized destination located within Canada's largest Rocky Mountain national park. Jasper is renowned for the Icefields Parkway, wonderful ski resorts, and its status as a massive dark-sky preserve, offering exceptional opportunities for alpine adventure and wildlife viewing.

A WORD FROM OUR CEO

Marius Gheboianu
Chief Executive Officer

At Aspen Experience, we are committed to turning professional development into a meaningful and memorable journey for international students. Our program offers far more than just a standard internship - it provides a transformative experience in luxury hospitality, designed to equip participants with high-level industry skills and global perspective.

Participants not only gain hands-on experience in prestigious luxury hotels and restaurants, but also develop valuable cross-cultural communication, independence, and adaptability. Beyond the professional setting, participants build a powerful international network - forming connections with peers and industry leaders from around the world that often last well beyond the program itself.

Whether placed in the vibrant cities of New York, Los Angeles, and Toronto, the stunning landscapes of Aspen, or along the iconic coastlines of the Canary Islands and Valencia, each location offers a unique backdrop for both professional and personal growth.

We believe that the true value of a hospitality internship lies in what participants take with them: confidence, career opportunities, and memories that shape their future.

We look forward to partnering with you to provide your students with this exceptional opportunity.
